

Griswold and Jefferson Avenue, site of the first Ste. Anne de Detroit cemetery or cemeteries
 Congress east of Bates, Father Richard's Stone Church and a cemetery in triangle below Cadillac Square
 The triangle between Municipal Building and St. Mary's Hospital on this map is the site of the old
 City Cemetery, on St. Antoine Street and Clinton near Gratiot
 Today, this appears to be at or near the Frank Murphy Hall of Justice
 Mourners going to the City Cemetery walked there on St. Antoine Street north from Jefferson Avenue
 On far right, Mt. Elliott Cemetery, site of the 1869 reburials

Map of downtown Detroit, 1895
